

# Personal Inquiry - Space Project

Name:

My Topic:

| Evaluation Areas    |                                      | Student Evaluation |     | Teacher |     |
|---------------------|--------------------------------------|--------------------|-----|---------|-----|
|                     |                                      | Emg                | Dev | Prf     | Exc |
| <b>Information</b>  | Understanding of topic               |                    |     |         |     |
|                     | Depth of detail                      |                    |     |         |     |
| <b>WOW factor</b>   | Polish                               |                    |     |         |     |
|                     | Explains how it represents topic     |                    |     |         |     |
| <b>Presentation</b> | Engages audience's interest          |                    |     |         |     |
|                     | Delivery (voice, eyes, organization) |                    |     |         |     |

Student Comments:

1. What I want you to notice is
2. What I could have stretched to do better is
